August is here with a bit of gloom
 Summer is winding down much too soon
 School used to start in September, but now it's in
 August
 So the kids look at the calendar with much disgust
 They have swimming & summer is still on their
 mind
 So they give grief to the teachers who are so kind
 Vacations are over except for a few
 School clothes aren't appreciated even though they
 are new
 Then little by little things begin to fall into place
 Actually you start to see a smile on their face
 Hard work and study with everyone on board
 They know they need good grades, thank the Lord
 School dances will start for most to enjoy
 Football games are fun too & give girls a chance to
 find a boy
 All in all school is important to gain knowledge
 And heaven knows you definitely need that to get
 into college!

Summer 2021

It is almost the end of the summer
 Which to many is a real bummer
 While weather is changing a tad cool
 Children must go back, learn at school
 Adults returning to days of weekly labor
 Everyone remembers their vacation times
 savor
 Waiting a whole year to come around
 Another season of fun to be found.

How Hot Can It Get?

How hot can it get?
 We don't know yet.
 Maybe it is hell but
 We don't just know yet.
 The month of August was
 Named after Caesar Augustus.

Two sisters inherited their parents dairy farm. They had a lot of cows but no bull. There was an ad in the merchandiser that a bull was for sale in a nearby farm. The one sister said to the other—take a bus—if it's what we want, send me a telegraph, "I bought the bull come pick us up in the pickup truck." The bull was what they wanted but it cost \$599 and she only had \$600—which left \$1 for the telegram. The man at the telegraph office said "I don't know what your going to do. It's \$1 per word." The sister hesitated a minute then said—write COMFORTABLE. Comfortable the man said. "Yes, my sister is a slow reader and she will read,

After The Storm

After the storm, I sit alone
 Alone, and yet I'm met
 Jesus is near, yet on his throne
 And in my every thought

Am I alone, so He can speak,
 To me~ and only me?
 Am I alone, that I might seek?
 My Lord~ so tenderly

A time when God draws me apart
 From all the worldly cares
 A time when He can search my heart
 A time when Jesus shares

I'm glad He shares this time with me
 To me, it is so dear
 I'm glad, through Him, that I can see
 My God is very near.

THE BUZZ

Around Cedarbrook...

Here is a story of my fondest memory at Cedarbrook. One great morning, I think it was two weeks ago, George referred me to Becky for a fishing trip with a nice lady from downstairs on C2—named Kathy. Emily put us on the bus and we journeyed a short distance to a beautiful little pond where the two of us were carefully unloaded from the bus. Next we were moved closer in the driveway to the water and we were handed a baited fishing pole. Two nice men kept us busy and constantly involved with upbeat conversation and inquired how we were doing. We replied, “We were doing fine,” and commended all four individuals for making this one of the greatest days I ever experienced at Cedarbrook. I expressed my thanks to all four volunteers and expressed my interest in further volunteer efforts at Cedarbrook. I am also interested in keeping residents company in their rooms, hallways, etc. George will get back to me on this matter. Thanks Cedarbrook for a great Monday. P.S. We caught three trout each.

DON'T LOSE HEART!

Have you ever prayed for something, but nothing ever seemed to change because of your prayer? Maybe you prayed expecting things would be different this time. Then disappointment kicks in again when things do not change! It is hard to hold onto hope when it appears that God is not moving in your situation. I think Jesus knew we would feel this way at various times in our lives. That is why I believe He gave us this parable in Luke 18:1-8.

Jesus said that we “need to pray always and not lose heart” (Luke 18:1). I encourage you to read the passage, however, I will summarize it for us now. Jesus tells of a widow who continuously goes before a judge for justice. Although, the judge could care less about the woman or God for that matter. The judge eventually grants the woman justice because of her constant nagging. The passage goes on to compare God to the unjust judge. We can be encouraged by the Lords love and careful attention for us.

The Lord wants us to continue in prayer and NOT give up! God has a reason and purpose behind each and everything that He does. What good could come through waiting for Him to act, you might be asking yourself? Perhaps there are other pieces to the puzzle that have to fall into place before the Lord is ready to act in your situation. He might be trying to teach you something through the process of waiting. Many times, our hearts are changed through continually seeking God. My friend pointed out that as we continue to seek the Lord, we draw closer to Him. In essence, we are building intimacy with the Father!

Something we need to remember is that God is for us! He loves you and wants the very best for you. It may not always seem like His best for you in the moment, but I assure you it is. He wants you to rely upon Him above all others. He and He alone can move mountains for you. Therefore, the next time you are tempted to lose heart remember that God is for you. Jesus hears you and wants you to continue seeking Him! Remember that God moves in His timing according to His will. Our job is to continue to seek, not losing heart but seeking Him with every fiber of our being.

VOLUNTEERS: VERIY IMPORTANT PEOPLE!

How quickly summer is flying by. Hopefully everyone is enjoying the nice weather and the summer holidays. There are always plenty of good times to be had at Cedarbrook Senior Care & Rehab. Our residents love having volunteers come in to paint fingernails for the ladies, play pinochle, bingo, or any of the games and activities here at Cedarbrook. Just a few hours of your time is so greatly appreciated. We also want to thank all those volunteers who are spending their summer helping at Cedarbrook. When you give a little of yourself to others, you get so much more in return. Volunteer shifts are about two hours.

Here's how you can help: *Transport and assist at all or any of these activities.*

- Memorial Services- Escort residents outside Wednesdays, August 11th, August 25th, and September 8th, 9:30-11:30am.
- Beauty Shop – Mondays and/or Fridays 9:00-12:00 noon or 1:00-4:00
- Visits with our residents – inside our building or outside on the patio
- Take residents to our auditorium on Mondays or Saturdays 1:45-3:45 for live entertainment
- Help escort residents to Bible Study on Wednesdays 2:00-3:30
- Assist residents coming to church in the Auditorium on Sundays 1:30-3:30
- Bus Trips – Meet our residents at local ice cream shops/parks and assist them in having fun.

Your kindness is so deeply appreciated by our residents and staff.

If any of these opportunities strike your fancy, please give me a call. I will be happy to schedule an appointment with you and answer any questions you might have about volunteering. **We are also scheduling appointments with students who are in need of Community Service Hours for school.** Feel free to share this information with your friends and family. The more the merrier!

Contact: Kerry Magliane, Volunteer Coordinator at kerrymagliane@lehighcounty.org or at 610-336-5684.

Please remember – all volunteers must have completed their COVID vaccines and wear a mask. We do have masks available if you need one. Also, be sure to request the Volunteer Update packet, if you haven't already gotten one. Thanks!!

Cedarbrook Resident Announcements

- July Resident Birthday celebrations will be taking place on Tuesday - July 13, 2021 at the noon meal service.
 - New Production Manager will be starting on Monday July 19, 2021. His name is Ed Biemer.
 - We are also working with a temporary Chef support person: Jim Snyder
 - The Dining Service Team is happy to welcome everyone back to our monthly Food Committee Meeting. For our new residents - the team is looking forward to hearing what we have done right and what we can work on doing better.
 - It has been a long time with many ups and downs with the Covid-19 restrictions.
 - We greatly missed seeing you during this time and recognized the hardship that took place.
 - During these past 15 months we had to adjust our menus, provide service on paper, deal staff shortages and our delivery timing was changing at times because of the ever changing Red Zone Areas..
 - However, we also had some positive changes. We started a new 5 Week Cycle Menu this past March. We hope you have enjoyed some of the new items and rotation of the menu.
- We now have new challenges such as: Product availability! The most current problem is not being able to get paper napkins. Tomorrow it might be Ground Beef or applesauce. We will continue to include you on what is happening.

Dietitian's Corner Program

We are so happy to be back with everyone! This month I would like to review how the Dining Services department provides your meals. Each resident has a diet order which is determined by your doctor and dietitian. Our diet orders are based on a diet consistency that is most appropriate for each resident and therapeutic restrictions for those that may require special diets.

Our diet consistencies include Regular, Regular with ground meat, Mechanical Soft and Pureed. Your doctor, speech therapist and dietitian work together to determine the diet that is most appropriate for you.

Our therapeutic diet orders include CCD (consistent carbohydrate diet), NAS (no added salt), Sodium Restricted and Renal. Therapeutic diets are ordered to help manage many medical conditions including Diabetes, Hypertension, Heart failure or other cardiac diseases and also for Renal failure.

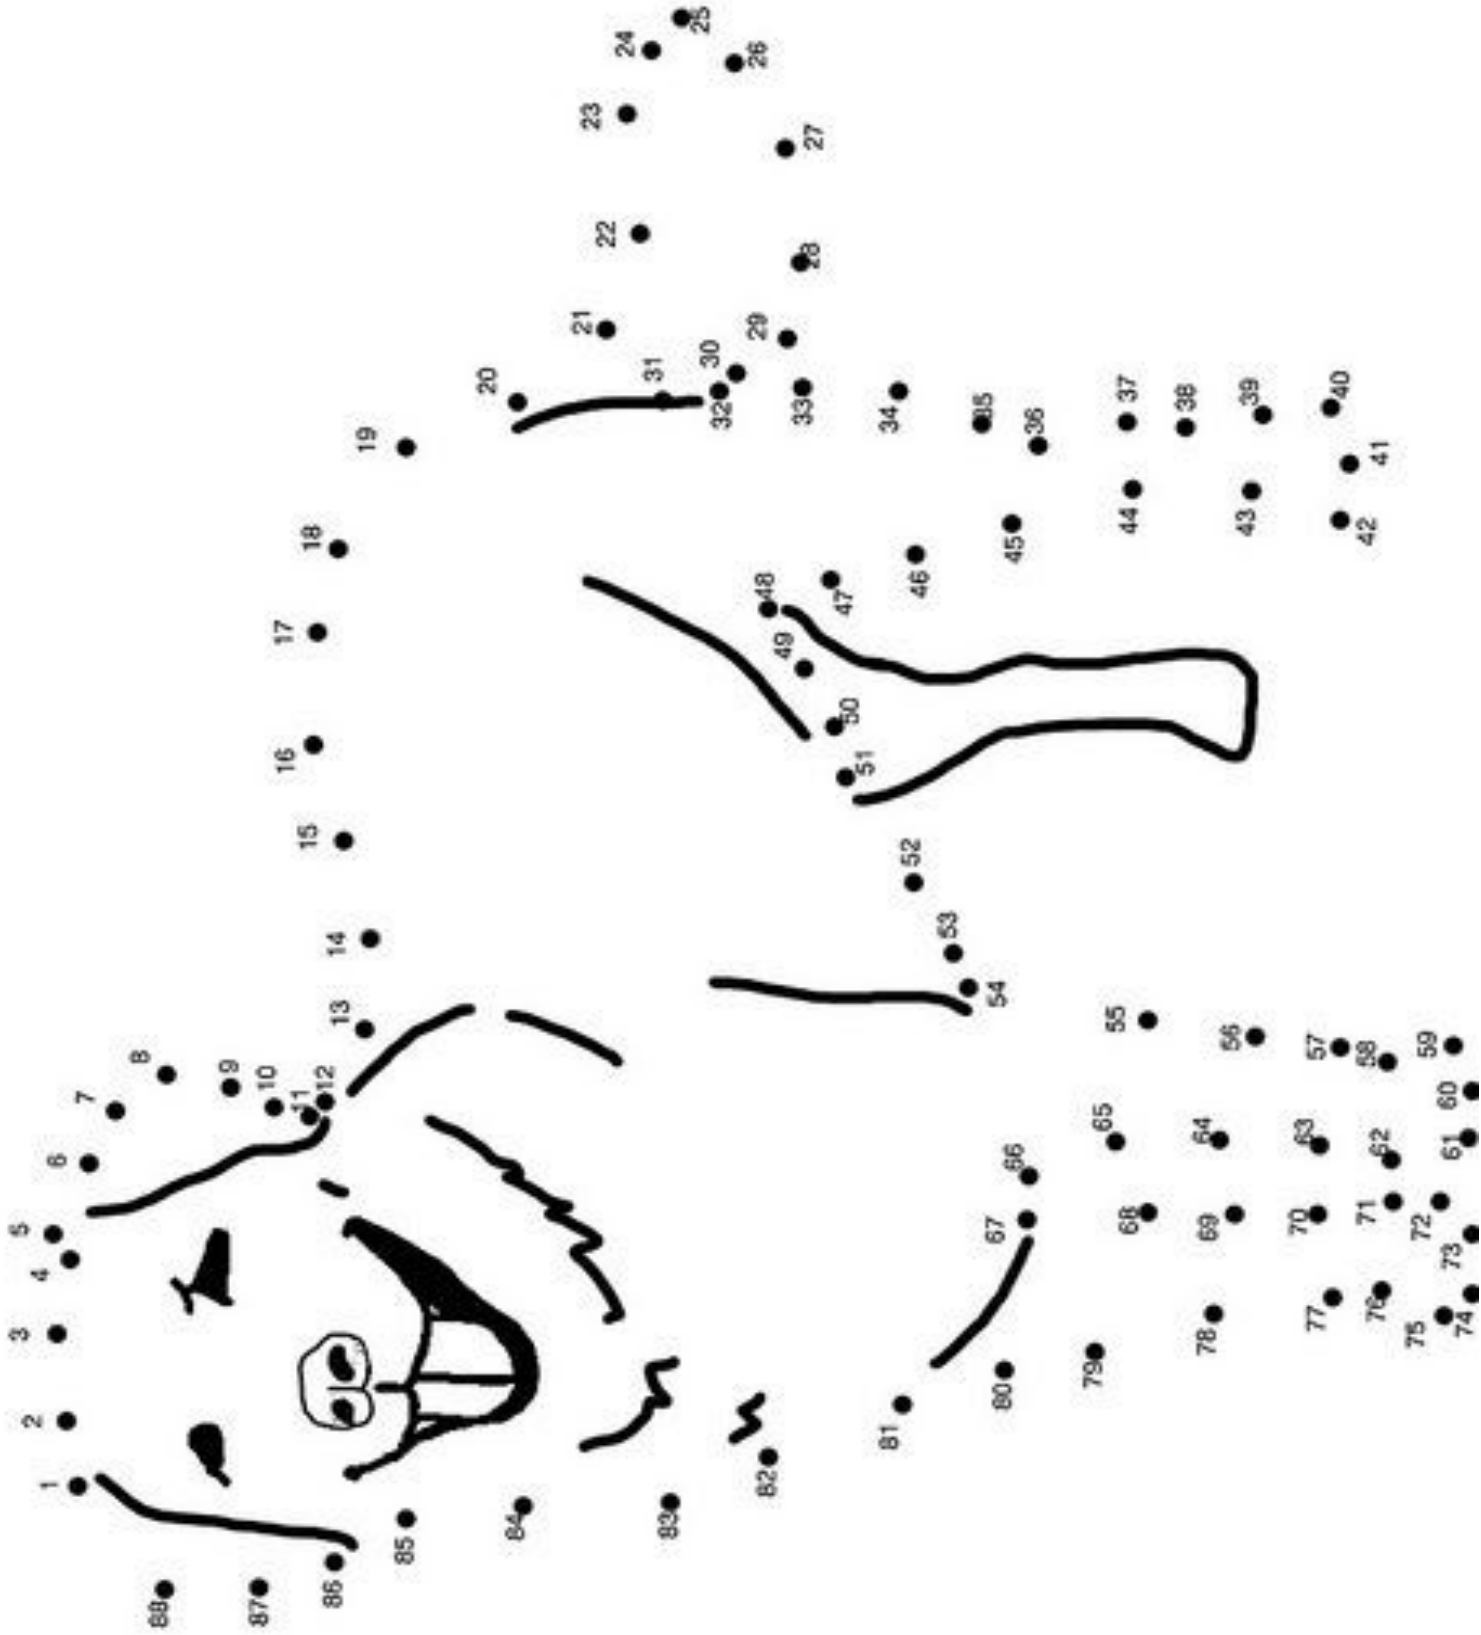

Your dietitian is always available to discuss any concerns you may have with your diet order.

Tips for Keeping Your Money and Valuables Safe

Although we discourage residents from keeping money and valuables in their room, we realize that many of you will choose to do so. Therefore, we would like to offer these tips to help you keep your money and valuables safe from loss or theft. Since you have access to the money in your account during normal business hours Monday through Friday, we suggest that you only withdraw the amount you need for immediate use. If you need larger sums of money for gifts or to reimburse your family members for purchases made on your behalf, we suggest that you contact Financial Services to arrange for payment by check. If you choose to keep money and valuables in your room, we highly recommend that you secure such items in the locked drawer of your bedside cabinet. Keep your key with you, or keep your key out of sight in a safe place. As soon as you realize that your money or property is missing, it is important to report it immediately to the Charge Nurse. Cedarbrook will not assume responsibility for replacing missing property kept by residents on their person or in their room. However, we will take action to investigate, and to try to recover your property if possible. Finally, we ask that you help us maintain a current inventory of your personal property. Any property that you purchase or receive during your stay should be added to your Valuables Received After Admission Form, including a description of the property. This information is essential when trying to locate missing items.
