February 2 Groundhog Day What's with that Phil?

Groundhog Day is a fun holiday! Will the groundhog see his shadow? If we were in the middle of El Nino, he might just see it. Behind the rodent folklore is an odd bit of science trivia.

Look at the legend that has had folks trekking to Punxsutawney, Pennsylvania, since 1887. According to the folklore, if Phil the groundhog comes out of his hole and sees his shadow on February 2, it means there will be six more weeks of really crummy weather. If not, the rest of winter will melt away.

According to the National Climate Data Center (NCDC), the tradition became publicized in 1887 when a newspaperman wrote about local hunters who celebrated February 2 by going on a groundhog hunt, followed by a jolly groundhog barbecue. He embellished the story with tales of the forecasting skills of Punxsutawney Phil. The rest is history.

When people continue a weather tradition, it is usually because it contains at least a grain of truth. Historically, the grain of truth for Groundhog Day in America is related to the El Nino. The El Nino, an abnormally warm tropical pacific current, warps global wind and weather patterns. In North America, it usually produces a warm winter starting along the west coast and expanding eastward.

In large parts of the east, this means that El Nino frequently produces a cool early winter, warm midwinter and cool late winter. If a large rodent was wandering around in the relatively mild midwinter, there might be enough sunshine to see his shadow. Then the El Nino would weaken and winter would literally come storming back.

It should be remembered that the groundhog tradition persisted in America during the 1700s and 1800s, during the last stages of the "Little Ice Age." What occasionally worked during those chilly times may not work now. The NCDC claims that since 1988, groundhogs only has a 39% accuracy rate.

Accurate or not-it's a great holiday and a good excuse for a party. Is the weather mild enough that a groundhog would see his shadow in your area? Do you think the rest of winter will be harsh or finally ease up? Whichever you believe it's something fun to look forward to when it's cold and there is not much else going on. Plus there is the groundhog, that Phil is just too cute to ignore!

Residents' Council Meeting Minutes Monday - January 9, 2023

- Jean Larison, President, called the meeting to order.
- Karen Snyder, Secretary, read the highlights from the December meeting.
- Marilyn Barker, Vice-President, read the Resident Right for January.

BED HOLD POLICIES – MEDICAL ASSISTANCE RESIDENTS – The Medical Assistance Program will make payment to your nursing facility to hold (reserve) the bed for you when you are away from the nursing facility for a continuous 24 hour period because you are in the hospital or on therapeutic leave. A bed must be available for you when you return to the nursing facility. Pennsylvania's limits on Medical Assistance Program payments for reserved bed days are as follows:

- 1. Hospitalizations A maximum of 15 consecutive days per hospitalization. During the 15 day period, the same bed shall be available to you upon your return to the nursing facility.
- 2. Therapeutic leave A maximum of 30 days per calendar year (leave days must be included in your Plan of Care and must be ordered by your attending physician).
- Jean welcomed new residents for December.

Old Business:

• D-2 resident had a concern about missing clothing. Social Worker discussed with the resident.

New Business:

Jason Cumello: Administrator:

Project Updates-

- Visitor parking lot is now on the D-wing side of building.
- Front stairwell has been removed and that is where the new E-wing will connect via a two-story connector building. It is also where the new entrance will eventually be located.
- Soon, we will lose access to the ambulance entrance at the D-wing for approximately 4-6 weeks. They will begin building the pillars that will hold up a connecting bridge between the D-2 solarium and the new building.

Jennifer Szakacs Strohl: Life Enrichment

- · Activities-
- There will be an Elvis show this coming Saturday.
- - January 20th there will be a hot chocolate bar special with Dining Services (by invitation only).
- February 9th there will be a chocolate covered strawberries special with Dining Services (by invitation only).

Results of Election:

-President: Jean Larison Vice President: Marilyn Barker Secretary: Karen Snyder
Congratulations to all!

- The next meeting will be held Monday, February 13th at 2:15 pm in the Auditorium.
- Residents invited to attend Food Committee meeting immediately following Residents' Council.
- The meeting was adjourned.

CHAPLAIN'S CORNER

He Rides By Lily Kubala

The heart is a window
Sealed on all sides
A mere glimpse of heaven
Perspective provides

We gaze at God's dwelling But, not through the eye We long for our Father On whom we rely

Alas, though the heart is Unbreakable glass Both lonely may glance Though neither may pass

So, that's why a Savior Was born unto you And, coming this Easter You know what he'll do

The Dearly Beloved If true on both sides God's Only Begotten Between them, He Rides

faith and share them with others!

Dear Friends,

The Easter season begins on Ash Wednesday, February 22.

Lent is the Christian season of spiritual preparation before

Easter. Perhaps consider traditional observations of this Holy
time such as prayer, repentance, moderation, self-denial and
discipline. Easter Day will be so much sweeter if meaningfully
prepare. The word 'lent' refers to the 'lengthening' of the days
in spring. Let's lengthen our own faith this season, as well.

Perhaps my poem will inspire you to write your own words of

Rejoice greatly, O daughter of Zion!
Shout aloud, O daughter of Jerusalem!
Behold, your king is coming to you;
righteous and having salvation is he,
humble and mounted on a donkey,
on a colt, the foal of a donkey.

Dietitian's Corner

I hope everyone is enjoying the new menu as we are finishing our 2nd cycle through it. Tater tot casserole featuring regular potatoes is a new menu item included in the cycles and has seemed to be popular and is featured this month! Remember that if you have any suggestions for specials that you want to see, we are happy to do our best to incorporate them so let us know! January had some special features we hope you enjoyed so please provide your feedback so we can include what you'd love to see.

I was listening to the radio the one day and the host had people calling in guessing what America's most popular vegetable was. Can anyone guess what the answer was? It was potato! Being a dietitian, I wanted to call in and asked if I missed the memo as to when potatoes were considered vegetables but that was what America voted for! February is National Potato Lover's Month and National Sweet Potato Month! What are some of your favorite ways to enjoy regular or sweet potatoes? They can be enjoyed roasted, mashed, fried, made in soups, stews and more! I personally prefer sweet potatoes as they are so delicious on their own and do not require many seasonings since they are naturally sweet. Mashed sweet potatoes has been in the new menu cycle a few times. Sweet potatoes are fat-free, sodium free, high in vitamins A and C and a good source of fiber and potassium. A medium sized sweet potato is only about 130 calories. Potatoes may get a bad rap because they are full of carbs, but they are actually good for you. When prepared simply, these spuds are high in much needed nutrients.

CEDARBROOK VOLUNTEERS ARE VIP's... <u>V</u>ERY <u>I</u>MPORTANT <u>P</u>EOPLE

VOLUNTEERS ARE MY FAVORITE VALENTINES!

During the month of February, everywhere we look are heart-shaped decorations reminding us of love for each other. I know our volunteers always show their love to Cedarbrook Residents and staff. That feeling of warmth and caring can be shown through something as simple as a smile. And even though we continue to wear masks for the safety of all of our Residents and staff, a smile can still be seen in the eyes.

For the month of February, I challenge each of you to give away a smile every day. It is a well-known fact that you can help improve someone's mood by just sharing a smile. You can help to shorten a long weary road for someone **smile by smile**. The rewards can be tremendous. Plus, it takes more muscles to frown than to smile!

There are so many opportunities to choose from to help. <u>Volunteers are always needed!</u>

<u>Here are a few examples of how can you help:</u>

- -Transport Residents to and from live entertainment on Mondays or Saturdays 1:45-3:45 PM
- -Assist at on-unit activities (games, cooking, etc.) any week day 10AM -12 PM or 1:45-3:45 PM
- -Visit with Residents one on one and help with special tasks (socialize in the family room, read their mail or the newspaper to them, help straighten their room, play cards, help with technology, etc.)
- -Become an **Auxiliary Member** at either location and help with 'fun' draisers that provide many different events for our Residents
- -Do you have a well-behaved dog or cat who would like to visit our Residents? We are looking for Pet Visitors during the day to bring some much-needed love to our residents in a calming environment.

Anyone interested in helping must provide their COVID vaccination card in order to be an active volunteer. If you have a friend or family member who would like to volunteer, please have them contact the volunteer office for more information. We accept volunteers 13 years and older.

Kerry Magliane, Volunteer Coordinator 610-336-5684

kerrymagliane@lehighcounty.org

As a THANK YOU for all you do, 2023 calendars are being mailed out to each volunteer.

We hope they make you smile! (**)

HOW MANY DID YOU SPY? There are 14

"LOVE BEARS"

EMPLOYEE PET OF THE MONTH

Name of employee and department...

Emily Strohl, Life Enrichment

Type of animal/breed...

Dog, Jack Russell/Shih Tzu Mix

Pet's name, how did you come up with it?

Leah, when we went to look at getting a dog, she was already named. Her full name is Lil' Leah.

Not sure why she's named like that but I think it's because of the Little Lehigh River close by.

Are there any nicknames you have for your pet?

Bubba, Bubby, Princess, Little Girl, Baby Girl.

How old is your pet?

When we adopted her, they said she was 2 years old. We use the day we adopted her for her birthday, thus making her 10 years old. She will be turning 11 in November this year.

How and when did you choose your pet?

We lost our first dog in 2014 and we were all heartbroken. There was a void in our lives. We decided to look at dogs at the Lehigh County Humane Society. We looked at several dogs, however, Leah won us over.

Does your pet do any special tricks?

Leah knows how to sit, lay down, and give kisses. When she goes to lay down, she gets too excited and just plops her self down from a sitting position.

Funniest memory of your pet...

There's honestly too many to remember.
One thing that she always does that I think is funny is that she likes to play with my hair.
She will sniff my head and lick me and then then rub her face all over my head and sometimes gets her collar stuck in my hair.

Does your pet have a favorite toy or treat?

She doesn't play with toys surprisingly. Her brother is the one that plays with toys.

Leah loves the gnaw bones from Milkbone brand and she also loves the Greenies dental sticks.

Does your pet have any bad/ naughty habits that drive you crazy?

She barks at every little thing. I could come down the steps too loudly and she will growl and bark at me. She is a little leery about strangers coming in to the house. She will constantly growl at them. She barks throughout the night every time she hears the slightest thing.

Fun facts about your pet or the breed...

A Jack Tzu is a high fashion dog that were developed for designer dogs in the United States.

The dog breed is also tiny but not barky. The breed is known for not barking much and is known for its very social side with dogs and humans.

Jack Tzu's are extremely motivated by food. They can also be very stubborn but are able to be won over by treats.

(If you would like to see your pet in the Sunshine News, please stop by the Life Enrichment Department to pick up a pet questionnaire. Please be prepared to email pictures of your pet to: MarnieDistasio@lehighcounty.org.)

Jennifer Bortz-Certified Nurses Aide, Nursing Department

How many years have you worked at Cedarbrook? Since February 1995, 28 years.

What advice would you give to prospective candidates looking to join our team at Cedarbrook?

Jennifer believes that residents should be treated as if they were your own family member.

CNA's have a very emotional and high paced career. It takes a lot of patience and respect for others that makes you succeed. Her belief is treat residents how you would expect your own parents to be taken care of.

What is your proudest job moment? Her proudest moments are receiving compliments from family members themselves. Hearing them say that she is doing a great job and acknowledgement that they recognize her doing "little things" for their loved ones. Smiles she receives from the residents themselves and calling her by her name, makes all the difference.

What does leadership look like to you? Jennifer feels like leadership is better shown when everyone works as a team.

What have you gained from working at Cedarbrook? Over the years she has met and obtained many friends. She has the feelings of security, stability and most of all love.

We thank Jennifer for her dedication to her long career here at Cedarbrook Allentown and for taking the time to answer our questions. Keep up the great work, we appreciate you!

Recipe of The Month

RED VELVET CAKE WITH CREAM CHEESE ICING FROM SCRATCH

Ingredients for cake

1 cup unsalted butter
2 cups granulated sugar
4 large eggs
2 ½ cups all-purpose flour
1 tsp baking soda
¼ tsp salt

1/4 cup unsweetened cocoa powder
1 cup buttermilk, room temperature
2 Tbsp sour cream
1 tsp vanilla extract
1 1/2 Tbsp white vinegar
1 1/2 Tbsp red food coloring (or gel type)

- 1. Preheat the oven to 350* F, then butter and line two or three (your choice) 8 or 9-inch round cake pans with parchment.
- 2. In a measuring cup, combine the buttermilk and vinegar. Set aside.
- 3. Cream together the butter and sugar until light and fully, then add the eggs, one at a time, scraping the bowl after each addition. Stir in the sour cream and vanilla extract.
- 4. Sift together the flour, baking soda, salt, and cocoa in a separate bowl.
- 5. Add half the flour mixture to the butter, then half buttermilk. Repeat, and stir until all ingredients are just combined.
- 6. Stir in the red food coloring. (Or red food coloring <u>gel</u> for a brighter effect)
- 7. Divide the batter evenly into your prepared cake pans.
- 8. Bake 18-24 minutes for three pans or 25-30 minutes for two pans, until a tester inserted in the center of the cake comes out clean.
- 9. Allow the cake to set 10 minutes in the pan before inverting onto a cooling rack to cool completely. Icing once completely cool.

CREAM CHEESE ICING

Ingredients

- •1/2 lb. unsalted butter
- •1 lb. cream cheese, softened
- •5-6 cups confectioner's sugar, powdered
- •1 tbsp vanilla extract

Instructions

- -Cream together the butter and cream cheese.
- -Add the powdered sugar 1 cup at a time, scraping the sides of the bowl after each addition. Once the desired consistency is reached, add the vanilla extract.
- -Use immediately on cooled cake.
