## Around Cedarbrook

### "HIS NAME IS JOHN"

There is a tattoo on my arm of someone very dear to me. I lost him back in 2019. The saying on my tattoo is "Your wings were ready but my heart was not."  
This tells you how I feel. I think about him all the time. He is always on my mind. I wish I could tell him I love him just one more time. Now he is up in heaven, God called him home. He was just 51. His name was John. We all miss him dearly. But up there, he is taking care of my Nan and Pap and I know he is watching over me.

Residents and Staff, please help in welcoming our new Chaplain in Faith Services, **James Moore**. He is a super friendly guy who will be out and about 3 days a week to help with any spiritual needs you may have or just someone to chat with when you need an ear.

He would like us to know, that during his walk arounds he has received many suggestions to start a resident Prayer Group. Before arrangements are made for this to happen, he would like everyone to participate in naming the prayer group! Please write down your recommendations and turn them into your Life Enrichment Staff. We will collect ideas for a few weeks.

Stay tuned for the winning name!

Chaplain James would like to begin his arrival here at Cedarbrook with a quick reference:

Jesus said, For your Father knows the things you need before you ask Him. In this manner, therefore, pray : "Our Father in heaven, Hallowed be Your name. Your kingdom come. Your will be done on earth as it is in heaven. And forgive us our debts, as we forgive our debtors. And do not lead us into temptation, but deliver us from the evil one. For yours is the kingdom and the power and the glory forever. Amen."

Our nation owes a debt to fallen heroes that we can never fully repay.

Former President Barack Obama

As we express our gratitude we must never forget that the highest appreciation is not to utter the words, but to live by them.

Former President John F. Kennedy

A hero is someone who has given his or her life to something bigger than oneself.

Joseph Campbell

A salute to all of you who keep us safe in the great United States of America.

## Ruth

*By Chaplain Lily Kubala*

May is the month we traditionally associate with Mother's Day. The Bible gives few better examples of honoring one's mother (or mother-in-law as the case may be) than the Book of Ruth.

Ruth is the 8<sup>th</sup> book in the Old Testament, falling between Judges and 1 Samuel. The Book of Ruth is only four short chapters long, and typically only takes about 15 minutes to read in its entirety. I would encourage you to do so! It is such a beautiful story of love, loyalty and redemption. The name Ruth even means "companion." Ruth was a loyal companion to her mother-in-law, Naomi.

Naomi and her husband had two sons, Mahlon and Chilion. They lived in the town of Bethlehem, in the land of Judah. The land of Judah was experiencing a deadly famine, and so Naomi and her small family set out for the land of Moab. In Moab, Naomi's husband died. Naomi raised her two sons there, and they married Moabite women. Naomi's two daughters in law were Orpah and Ruth. Neither daughter in law had yet had any children. So, Naomi was left bitter and alone, with no husband and no son to care for her. She set her heart on returning to previous home and the land she owned in Bethlehem.

Naomi could hardly expect either Ruth or Orpah to leave their own homeland of Moab to accompany her, and Orpah didn't. But Ruth did. Ruth refused to leave her mother-in-law, whom she loved. The two made the long journey back to Judah together, only to find that Naomi was about to lose her home and property in Bethlehem. Naomi simply had no 'kinsman-redeemer' to protect her. A kinsman-redeemer would purchase the property of a woman in poverty. The kinsman-redeemer is a rescuer and restorer. But, the story is about to become a very happy one. Ruth is about to meet Boaz, a loving and very wealthy man in Bethlehem who comes forth as Ruth's kinsman-redeemer. Boaz and Ruth marry and Ruth bears a son, whom she delivers to her mother in law to continue the family line. A very happy ending, indeed.

The details are well worth reading for yourself, but suffice it to say that Ruth's loyalty to her mother-in-law is well rewarded. The word 'redemption' occurs 23 times in the short book. Boaz is a forerunner of the kinsman-redeemer that we have in Jesus Christ.

In the end, Boaz not only fulfills the role of a kinsman-redeemer for Ruth, but he loves her deeply and theirs becomes a beautiful story of its own. You may recall that Boaz and Ruth are mentioned in the lineage of Jesus Christ. Ruth 4:21 tells us that Boaz begat Obed, and Obed begat Jesse and Jesse begat David. The town of Bethlehem is eventually renamed the City of David, where Jesus is born. Ruth becomes the great-grandmother of King David, a lineage that continues directly to the birth of Jesus. How marvelous to rediscover the rich history of our Lord and Savior through the Book of Ruth during the month that celebrates all mothers who fulfilled the law to love one another.

*Boaz replied, "I've been told all about what you have done for your mother-in-law since the death of your husband—how you left your father and mother and your homeland and came to live with a people you did not know before. <sup>12</sup> May the LORD repay you for what you have done. May you be richly rewarded by the LORD, the God of Israel, under whose wings you have come to take refuge."*

*Ruth 2:11*

# EMPLOYEE PET OF THE MONTH

**Name of employee and department...**

Shannon from Life Enrichment

**Type of animal/ breed...**

Shetland Sheep Dog, or also known as a Sheltie

**Pet's name, how did you come up with it?**

When I was a teenager, I listened to a lot of Bob and Ziggy Marley's music. So when my sister named her dog Marley, I named mine Ziggy.

I was 14 years old when I named him.

**Does your pet have any nicknames?**

Zigster, Ziggery and for some reason my father likes to call him the Ambassador. It's due to Ziggy looking as if he is wearing a tux as his fur is black and white. Also anytime I drop Ziggy off, he looks like he's rolling up in style in my car with the tinted windows.

**How old is your pet?**

Ziggy has been providing unconditional love for 12 years!

**How and when did you choose your pet?**

On my birthday, my sister gave me a necklace that had a dog tag. I was confused and then she handed me a purse and to my surprise there was a fluffy puppy looking up at me. My parents were surprised too. They knew nothing about it.

**Does your pet do any special tricks?**

When you say "I love you" he barks in three syllables, bark one for "I", two for "love", and three for "you!"

**Funniest memory of your pet...**

When I bought my house I was doing construction and I had to turn off the water. In the meantime, I gave Ziggy Spring bottled water instead of regular tap water. Once I gave him spring water he never went back to tap water. In fact, he now enjoys Brita filtered water, Crystal, and Deer Park water. His favorite would have to be Deer Park water.

**Does your pet have a favorite toy or treat?**

He has a toy that is a fat stuffed squirrel that has a really loud squeaker on the belly and in the middle of the night I always step on it giving myself a panic attack each time.

**Does your pet have any bad/ naughty habits that drive you crazy?**

When I am on the phone he gets jealous and paws at me for my attention. Ziggy also mutters in a low playful growl every morning. EVERY night he also snores and kicks his feet. I had actually invested in a humidifier to prevent his snoring. Sometimes on our walks he gets so lazy that as soon as he sees a park bench, he jumps up on it to lay down. Our 10 minute walk takes 25 minutes.

(If you would like to see your pet in the Sunshine News, please stop by the Life Enrichment Department to pick up a pet questionnaire. Please be prepared to email pictures of your pet to: [MarnieDistasio@lehighcounty.org](mailto:MarnieDistasio@lehighcounty.org).)

**Memorial Day.** Maybe you think of it as the beginning of summer and time for a barbecue. While that's all fun and good, it's important that we don't forget what the holiday is all about. Here are some facts about why we really celebrate Memorial Day. Hint: None of them involve hot dogs.

- The tradition of decorating soldiers' graves with flowers and flags is what led to the creation of Memorial Day. It was especially popular to decorate the graves of Civil War soldiers, and some regions designated a day of the year to do so. Eventually, these days would merge to become a national Memorial Day.
- Memorial Day was officially established as a national public holiday in 1868 by General John A. Logan, head of a group of Union veterans. The holiday was originally called Decoration Day—named for the decoration of soldiers' graves—but the name gradually changed until it officially became Memorial Day in 1967.
- From 1868 to 1970, Memorial Day was celebrated every year on May 30, not the last Monday of May like we do now. It's unclear why this date was chosen, though some have speculated that it's because no major battles had occurred on that day, or that spring flowers would be in bloom.
- The date was changed in 1968 with the Uniform Monday Holiday Act, which moved Memorial Day and four other holidays to Mondays for the sake of creating the three-day weekends we all know and love. Some veterans' organizations and lawmakers disagree with the change, arguing that it diminishes the holiday's meaning.
- Memorial Day is not the same as Veteran's Day. The latter celebrates all service men and women throughout history, while Memorial Day technically only celebrates those who died while serving. Armed Forces Day is also separate, and honors those who are currently serving.

# Residents' Council Meeting Minutes

## Monday – April 10, 2023

Jean Larison, President, called the meeting to order.

Karen Snyder, Secretary, read the highlights from the March meeting.

Marilyn Barker, Vice President, read the Resident Right for April.

### **ADMISSION POLICY –**

Your nursing facility cannot prohibit or discourage you from applying for or receiving Medicare or medical assistance benefits. Your nursing facility must prominently display or provide you with individually written and oral information about how to apply for Medicare or medical assistance benefits, how to use these benefits and how to receive refunds for any prior payments made by you that are covered by these benefits.

If you are entitled to medical assistance for nursing facility services, neither you nor anyone on your behalf may be required by the nursing facility to make any payments to the nursing facility as a condition of your admission, to speed up your admission or to guarantee your continued stay in the nursing facility. This requirement does not stop the nursing facility from requesting, accepting, or receiving genuine charitable, religious or humanitarian contributions from organizations or people that are not related to you, if the contribution is not a condition of your admission, to speed up your admission or to guarantee your continued stay in the nursing facility.

The nursing facility must advise you in advance when payments for items or services to be delivered are not covered by the Medical Assistance Program. You must be advised of the costs of the non-covered items or services, and be given the option of accepting or rejecting the charges and the non-covered items or services. This requirement does not stop a nursing facility from charging you for items or services which you requested and received that are not covered by the Medical Assistance Program.

# Volunteer Spotlight

Bette Seifert has been volunteering here at Cedarbrook Allentown for 7 years. She has lived in Allentown all her life and enjoys swimming and taking care of her family and her beloved dog Pearl. Her other enjoyments are shopping at her favorite stores, listening to music and just relaxing when she has the time.

Her other volunteering adventures are for the Special Olympic swimmers once a year. Every school year she teaches religious classes to 2<sup>nd</sup> graders at the St. Thomas Moore School. She looks forward to seeing the kids every season.

What motivates Bette is helping our residents with new activities. Whether it's transporting or helping out with BINGO, she always tries to stay positive and be friendly to all those who encounter her presence. Bette's biggest accomplishment is receiving the 2018 Volunteer of the Year award. She strives to reach her goal of more than 400 hours of volunteering in the future. By showing up every Thursday and having good attendance also makes her a proud volunteer.

Bette would like to encourage people to come and volunteer here at Cedarbrook. Being nice, polite and having a positive attitude is what makes volunteering a great experience not just for her, but for all of our residents too.

We would like to thank Bette for all her time spent here at Cedarbrook.

Keep up the great work!

The residents and staff appreciate you and all you do.

Greetings all! Food is important to all of us.

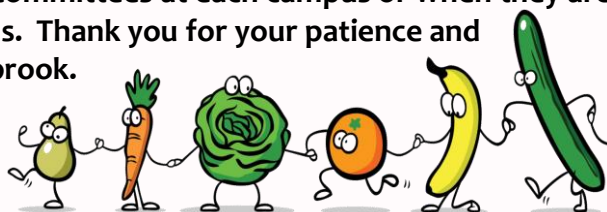

It is certainly important to me. I love it all – veggies, meat, sweet and sour, and everything in between.

After receiving a lot of feedback over the past year from residents and their families at both Cedarbrook campuses, we decided it was time to closely look at all of our options to see what food services company is right for the next chapter of Cedarbrook. It was not an easy decision or process. And it is definitely not easy to change the food services management vendor. It is one of the most difficult, if not the most difficult, change any nursing home can make.

After extensively evaluating what vendor partner works best for the next chapter of Cedarbrook, we decided to make a change and move to Morrison Living on 4/1/23. The transition has been very difficult in some respects as Morrison is learning Cedarbrook and our residents while concurrently training many new employees on the job, but I am confident that they will continue to make strides to deliver very high quality of service for our residents. The Cedarbrook team is working directly with the Morrison team on a daily basis to continually improve our dining services.

Please feel free to reach out to Morrison during the food committees at each campus or when they are up on the nursing floors if you have any questions or concerns. Thank you for your patience and understanding as we remake our dining services at Cedarbrook.

Sincerely,  
Jason Cumello, Administrator/Director of Cedarbrook

On April 1st a new partnership began with Morrison Living at Cedarbrook. I wanted to take a moment to introduce our leadership team and direction for the future of dining services.

Robert McMahon- Director of Dining Services

Peter DiCenso- Executive Chef

Annette Hopkins- Assistant Director of Dining Services

Torie Yackanicz- Clinical Nutrition Manager

Our approach to food is simple. Wholesome meals, community specific menus and engaged residents and team members improve everyone's wellbeing. Your menus and dining service will be rooted in our food philosophy – putting flavor, nutrition and service at the heart of everything we do. We look forward to working together through dining committee meetings and feedback to create your next seasonal menu.

Social engagement activities and themed meals are a great way to try new menu items, learn about the benefits of superfoods, celebrate holidays and other cultures or just have a little fun! The team looks forward to working alongside Life Enrichment to provide you with wonderful experiences.

We apologize the transition has not been smooth with consistent meal timing and quality.

Our leadership team alongside Morrison Living support are working on implementing our processes and standards with our new team members to ensure on-going resident satisfaction with our food and service. Recruiting new team members, process implementation, and training are focuses behind the scenes as the team works to improve your dining experience.

Thank you for your patience through the transition.

Bridget Wilson- Regional Director of Operations  
Morrison Living
