VOLUNTEER SPOTLIGHT

This month, we are putting the spotlight on one of our newer volunteers; Eva Trujillo. Eva began volunteering at CBFH this summer. She is from Bethlehem, PA. Eva enjoys many things in her leisure time, including playing guitar, reading, coloring/drawing and cooking/baking. She said her motivation to volunteer is to be like her grandmother, Gloria, who is also a volunteer here at CBFH! Eva said what she likes most about volunteering is playing all sorts of games with our residents, and painting residents' nails. One day she hopes to run an art class at CBFH. Eva said the accomplishment in life that she is most proud of is being invited to play her guitar at Musikfest. When asked to give encouragement to others that may be thinking about volunteering at CB, Eva said, "You get to help people out".

We thank you Eva, for your dedication to our residents, and for spending your precious time here at Cedarbrook. Your help is always greatly appreciated!

Keep up the good work and we hope that you keep coming back!

Cedarbrook Volunteers are Very Important People!

Wrapping up the summer...as the days get shorter there are still plenty of exciting activities happening at Cedarbrook. We are getting ready for United Way's annual "Day of Caring" volunteers on September 15th. Members of our local community sign up to spend the day helping others. This year they will have the opportunity to help Cedarbrook residents create a giant poster to be used in future photo shoots.

CBFH VOLUNTEERS NEEDED

Activity Transporters and Helpers – Do you play games, make crafts, listen to live music? Transport our residents to/from activities in our building and assist playing games or making crafts. We are in need of transporters afternoons, 1:45-3:45. There are opportunities seven days a week. We would also love to have extra players to assist residents.

Sunday Church Volunteers – Residents love to attend church services on Sunday afternoons and really need your help. We are looking for volunteers to escort residents to our main dining room on the first floor. Volunteers are also needed to help residents find the correct pages in the books.
We have church every Sunday, 1:54-3:45.

Pet Visitors - Do you have a well behaved, people friendly furry friend (dog/cat) who would love to visit others and be showered with affection, while bringing smiles and joy to our residents? Some of our folks had pets at home and are really missing the unique and loving comfort of a pet. This would be at your convenience. We can have one-to-one visits or group visits. Animals and their Pet Parent will be interviewed.
Pet health documents will be required.

Please contact Kerry 610-336-5684 or kerrymagliane@lehighcounty.org - for more information or to sign up for any of these opportunities.

*Thank
You*

EMPLOYEE/VOLUNTEER NAME: JASMINE

TYPE OF ANIMAL/BREED: HOLLAND LOP RABBIT

ARE THERE NICKNAMES FOR DAISY?: DAIS (PRONOUNCED DAZE) AND LAZY DAISY

HOW OLD IS DAISY?: 16 MONTHS

HOW DID YOU CHOOSE DAISY?: "MY MOM FOUND A YOUNG MAN WITH SPECIAL NEEDS WHO BREEDS AND SHOWS THEM AT COMPETITIONS."

DOES DAISY DO ANY SPECIAL TRICKS?: "SHE JUMPS IN THE AIR AND SPINS AROUND WHILE SHE IS UP. SHE ALSO BOPS HER NOSE ON YOUR NOSE AND LIPS."

WHAT IS YOUR FUNNIEST MEMORY OF DAISY?: "ONCE WHEN DAISY WAS PLAYING, SHE ROLLED AROUND THE FLOOR ON HER SIDE, LIKE DOGS DO WHEN THEY 'ROLL-OVER'."

DIETICIAN CORNER

"BREAK-ing" the FAST! Breakfast is often described as the most important meal of the day, providing us with the energy needed for the day ahead. We should be aiming to consume about 25% of our calories at breakfast. A balanced breakfast containing both fiber and protein will balance your blood sugar and keep you feeling full and fueled for longer. In addition to protein and fiber, a good breakfast should include a balance between foods rich in carbohydrates and healthy fats.

- Carbohydrate Examples: Whole Grain Toast, English Muffins, Muffins, Oats, Whole Grain Cereal, Pancakes, Waffles
- Protein Examples: Eggs, Cottage Cheese, Beans, Yogurt, Low Fat Milk
- Healthy Fat Examples: Peanut Butter, Olive Oil

What about caffeine?

Caffeine is a natural chemical with stimulant effects. It is found in coffee, tea, cola, cocoa, and energy drinks.

It is not uncommon for us to consume some type of caffeinated drink to help get us "moving in the morning." In addition, studies have shown that both coffee and tea contain antioxidants which may help protect us from some types of cancer, diabetes, Alzheimer's disease, and Parkinson's disease. Caffeinated drinks may provide benefits, but too much caffeine can cause anxiety, jitteriness, headaches, and insomnia as well as increased urination. The FDA recommends a maximum of 400 milligrams of caffeine per day, which is 4-5 cups of coffee.

Breakfast Tips to Consider:

1. A breakfast of only pastries, donuts, and sugary cereals will have your stomach grumbling again soon and may make you feel sleepy, grumpy, or tired.
2. Consuming high sodium breakfast foods could affect your blood pressure. Keep an eye on foods and saturated fats that are high in sodium – for example bacon, ham, and sausage are high in both sodium and fats."

Medical Assistance payment for nursing facility care eligibility requirements and procedures — Medical Assistance, is a program of financial assistance funded by the federal and state governments to help pay for medical care, including care in a nursing facility.

In order for Medical Assistance to help pay for a person's nursing facility care, the person must be financially eligible and must be medically in need of such care. Financial need for Medical Assistance is determined by the local county assistance office. Medical need for nursing facility care is determined through an assessment done by the local Area Agency on Aging.

If you meet the eligibility requirements, Medical Assistance will pay the difference between the cost of your care and the amount the state determines you should pay from your income each month.

Any questions contact the Financial Department.

CHAPLAIN'S CORNER

"BEGINNINGS"

Sometimes we think of "New Beginnings" at the start of a new year. I want you to think of new beginnings right now! New healing and renewed faith. Expecting the promises of God right now!

Other's may be thinking about a new job, new home, a wedding, or a new baby that changes our perspective on life.

Here's what I want to bring to you today – "New Season."

With Summer coming to a close we're all feeling the whispers of Fall in the air.

Whether it's your local gift shop - counting down the days to a Pumpkin Spice Latte or your local outlets placing Fall decorations around their windows and announcing Fall decor as you walk through the doors.

So, what does the Bible tell us about "New Seasons?"

Are they tangible? Can it be ushered in? Can it be felt?

Jeremiah 29:11 states – "For I know the Plans I think towards you, says the Lord... Plans to Prosper you and give you Hope and a Future!"

At this time when the seasons are soon to change - we can take this moment to reflect on where we are and know that God already ordained every one of our steps (Psalms 37:23) and more so is giving us a "Hope and a Future!"

So, do you Believe that? Hebrews 11:1 says – "Faith is the substance of things Hoped for and the Evidence of things not seen."

How can we increase our Faith? How can we continue to ignite the "Joy" of Christ in our lives. Here are some ways - reading our Bibles, joining together in Prayer and sharing our journeys through praise and testimony within our community or small groups. God wants us to follow Him in our own quiet prayer and Bible times and also in our times together. So come - lets Follow Jesus together. Continue enjoying these Summer days and anticipate the Joy of a New Season coming! Counting our Blessings that by God's grace we are able to share in "New Mercies" (Lamentations 3:22-23) every day! For His Grace is Sufficient (2 Corinthians 12:9) and His Mercies are everlasting! Many Blessings!

"The steadfast love of the Lord never ceases;
his mercies never come to an end;
they are new every morning;
great is your faithfulness." (Lamentations 3:22-23)

Scripture add ins:

Jeremiah 29:11

Hebrews 11:1

Psalms 37:23

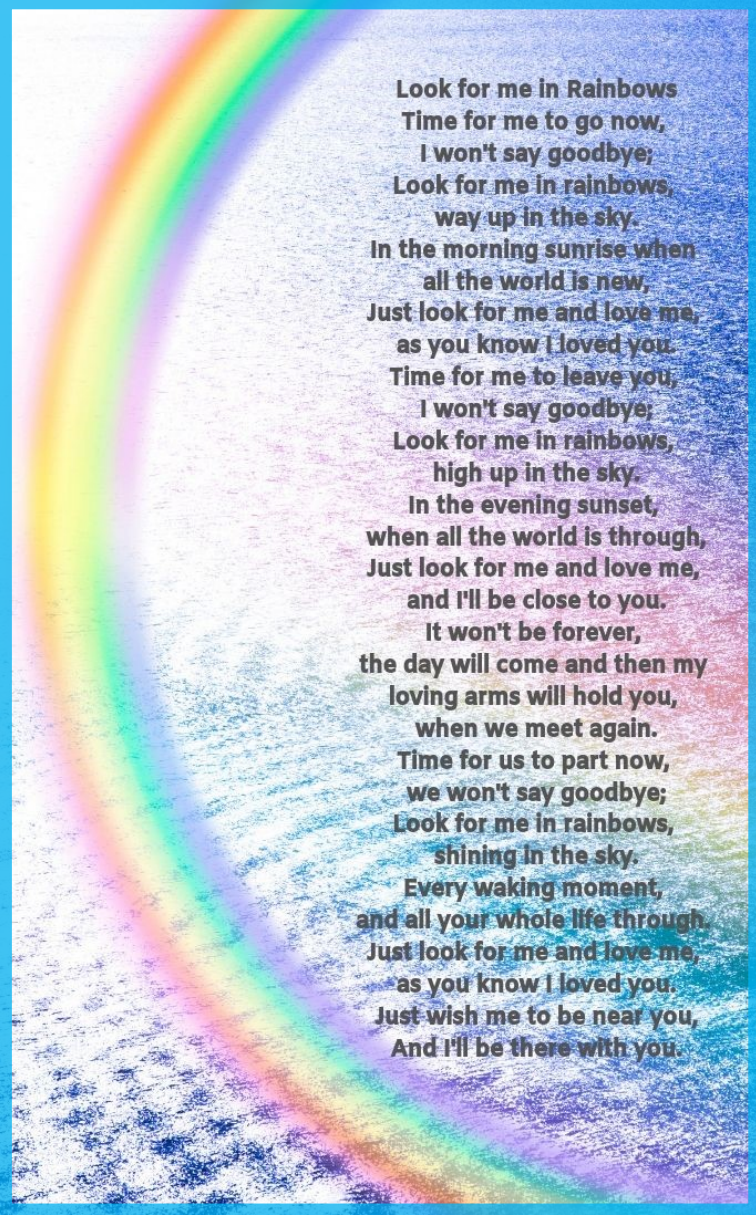

Lamentations 3:22-23

2 Corinthians 12:9

CHAPLAIN JAMES MOORE

Look for me in Rainbows
Time for me to go now,
I won't say goodbye;
Look for me in rainbows,
way up in the sky.
In the morning sunrise when
all the world is new,
Just look for me and love me,
as you know I loved you.
Time for me to leave you,
I won't say goodbye;
Look for me in rainbows,
high up in the sky.
In the evening sunset,
when all the world is through,
Just look for me and love me,
and I'll be close to you.
It won't be forever,
the day will come and then my
loving arms will hold you,
when we meet again.
Time for us to part now,
we won't say goodbye;
Look for me in rainbows,
shining in the sky.
Every waking moment,
and all your whole life through,
Just look for me and love me,
as you know I loved you.
Just wish me to be near you,
And I'll be there with you.
