RED, WHITE & BLUE CHEESECAKE BARS

Memorial Day weekend is the time to welcome warm days ahead with picnics and gatherings. This means lots of red, white and blue, and bright summer side dishes. Here is one everyone will enjoy, with its sweet taste and patriotic appearance.

Ingredients

- 1 graham cracker crust (9 inches)
- 3/4 cup 2% cottage cheese
- 1 package (8 ounces) reduced-fat cream cheese
- Sugar substitute blend equivalent to 1 cup sugar
- 1 teaspoon grated lemon zest
- 2 tablespoons lemon juice
- 1 teaspoon vanilla extract
- 2 large egg whites, room temperature
- 1 large egg, room temperature
- 1/2 cup fresh blueberries
- 1/3 cup reduced-sugar strawberry preserves (Warm them for easier swirling)

Directions

- Preheat oven to 375°. Line an 8-in. square baking pan with foil, letting ends extend up sides; coat foil with cooking spray. Remove pie crust from foil pan; break into fine crumbs into prepared pan. Press crumbs onto bottom of pan.
- Place cottage cheese in a small food processor; process until smooth. Transfer to a bowl. Add cream cheese, sugar blend, lemon zest, lemon juice and vanilla; beat until smooth. In a small bowl, lightly beat egg whites and egg; add to cottage cheese mixture. Beat on low speed just until blended. Pour over crust.
- Drop warmed preserves by teaspoonfuls over filling. Cut through cheesecake with a knife to swirl. Sprinkle with blueberries.
- Bake 25-30 minutes or until center of cheesecake is almost set. Cool 1 hour on a wire rack. Refrigerate 2 hours or until cold.
- Lifting with foil, remove cheesecake from pan. Cut into 12 bars.

CHAPLAIN'S CORNER

Psalm 1:

Blessed is the man who walks not in the counsel of the wicked, nor stands in the way of sinners, nor sits in the seat of scoffers; but his delight is in the law of the LORD, and on his law he meditates day and night. He is like a tree planted by streams of water, that yields its fruit in its season, and its leaf does not wither. In all that he does, he prospers. The wicked are not so, but are like chaff which the wind drives away. Therefore, the wicked will not stand in the judgement, nor sinners in the congregation of the righteous; for the LORD knows the way of the righteous, but the way of the wicked will perish.

There is a photograph taken in the mid 1950s of Walt Disney standing in a field beside a huge, old cottonwood tree growing next to a stream. This tree was on the farm in the town of Marceline in north central Missouri where Walt's family lived in the early 1900s. Walt recalls how he spent hours as a young boy under this tree, making up stories and observing the wildlife around him. He learned to draw animals there, and to observe how water flows and trees move in the wind. He called this giant cottonwood his "dreaming tree."

Walt Disney said that he never outgrew his need for the dreaming tree; it was his place where inspiration first grew for him. Walt was known to visit this tree often in his later years. The roots of his creativity grew deep there, like the deep roots of his "dreaming tree."

Like Walt Disney's cottonwood tree on the family farm, fed by a stream, we can find life and sustenance in God's Word. We are sustained in the dry spells of our lives by the deep roots God grows in us through our meditation on his Word. These roots reach deep. The roots of a tree are often three times the size of the area of the branch spread. We usually cannot see how deep and wide the roots go to seek nourishment. By being open to God's word, we grow the roots we need to be grounded in God, a grounding and a peace in God which is not always evident to the world.

Those who love God are like trees whose branches sway and creak in a strong wind; the tree may bend in the wind, but it is our roots that matter. God holds onto us, just as a tree is held up by its deep roots. To the world we look battered, but the world does not understand that like a tree whose roots are deep in the soil, we are held in the grip of God's grace.

Now think about the roots of your own faith, who planted it in you? My grandmother taught me to pray, my mother quoted scripture, my father told us kids "you don't *have* to go to church; you *get* to go to church." You yourselves, as parents, grandparents, aunts and uncles, or as Sunday school teachers, planted and watered seeds of faith in children. Or you were active in your church or lived as a believer, rooted in Christ, at your work. You also planted seeds of faith. God made them grow.

Walt Disney always remembered that his creative talents were nurtured in his childhood days beneath his "dreaming tree" on the family farm. Those were his roots as an artist, and he always remembered it. In the same way, we too must remember the roots of our faith. God plants us by the stream of his love and his word. God provides other believers to help our faith grow. And our growth never ends, as the psalmist says, we will yield our fruit in season and our leaves will not wither.

Volunteer Spotlight

Our Volunteer Spotlight this month features David Fulton. Dave has been a volunteer at Cedarbrook Fountain Hill for 4 years. He grew up in the Hazleton area and worked in the Poconos. He now lives in East Allen Township.

During his leisure time he likes to stay active with exercising, riding his bike and taking his dog, Gunny, on long walks. His passions include spending time with his family, staying in good physical shape and lending a helping hand for anyone who needs it.

When asked what motivates him to volunteer, he reiterated how fulfilling it is when you can help others out. He enjoys making others smile, and doing what he can to brighten someone's day. As to what he likes most about Cedarbrook, he said, "I enjoy the staff in the Life Enrichment department. They care about the residents and it shows with their positive attitudes". Some of his memorable volunteering moments at Cedarbrook are the outings with the residents. The trip to the Wind Creek Casino and attending a high school play were his favorites. He said he enjoys seeing them get out and have a good time.

We asked him what simply makes him happy in life. Without a hesitation his response was spending quality time with family, life long friends and of course time with his beloved, Gunny. When asked if there was something that he would like to try doing at Cedarbrook, such as a group that he'd like to run, he said he is "Happy with what I do... or don't do 😊." Without a doubt he would encourage a family member or a friend to volunteer by simply saying "Give it a try. The rewarding feeling of making someone's day makes it all worthwhile."

Some of Dave's accomplishments which make him proud were raising four great kids, and watching them succeed in life and raise a family of their own. He is also proud to have been associated with Wawa, and that he was able to make his employees and customers feel special every day. Mentoring the youth in Allentown for the past four years through Big Brothers Big Sisters is another rewarding accomplishment.

Dave, like all our volunteers, is a huge part of what makes Cedarbrook so special and unique! Many of our trips, programs, and activities could not happen without the help and support of our wonderful volunteers.

Thank you for all that you do!

REMEMBER & HONOR

Memorial Day is sometimes confused with Veterans Day

- Veterans Day honors all United States military veterans, while Memorial Day honors the soldiers who died while serving.

It's legally required to observe a National Moment of Remembrance

- In December 2000, Congress passed a law requiring Americans to pause at 3 p.m. local time on Memorial Day to remember and honor the fallen. President Clinton signed this action.
- The flag is supposed to be flown at half-mast until noon, and then raised to full mast until sunset on Memorial Day.

Memorial Day is Originally Called Decoration Day

- To honor the deceased, soldiers would decorate graves of their fallen comrades with flowers, flags, and wreaths. Hence, Decoration Day.
- By the late 1860s, Americans in various towns and cities had begun holding springtime tributes to these countless fallen soldiers, decorating their graves with flowers and reciting prayers.
- Memorial Day became its official title in the 1880s but the holiday wouldn't legally become Memorial Day until 1967.
