# OUR CEDARBROOK VOLUNTEERS ARE VERY IMPORTANT PEOPLE

As you look forward to summer, take the time to reflect back on your cherished memories of summers gone by. Think about the fun you have had and how you might be able to share those experiences with our residents. Maybe it will be fishing in our well-stocked brook or taking residents outside on the patio to enjoy the nice weather. There are so many ways you can spend an hour or two and make a difference in the life of a resident; while making a new memory for you to cherish.

WE ❤️  
VOLUNTEERS!

## Current Volunteer Needs:

- We are looking for **Fishing Volunteers!** We will be holding our Annual Fishing Event weekdays, May 28th – June 13th. Experience is required and the desire to have some good old-fashioned fun! Sign up for a 2-hour morning and/or afternoon shift. We also need someone with the talent to **filet** the fish. Volunteers will be invited to the Fish Fry that will be held later in the month. This is a Fountain Hill and Allentown Event. Fountain Hill residents will be bussed to our Allentown Campus to fish in our well-stocked brook.
- **Activity volunteers** are needed. There is a great need for volunteers to transport residents to in-house activities at both locations, days and weekends. This can be done for any amount of time you have available to give and will be greatly appreciated. We are in greatest need on Saturdays and Sundays 2:00-4:00.
- Do you know a High School student who would like to volunteer or do community service hours? The summer is a great time to work on getting those service hours done. We offer opportunities for students at both Cedarbrook locations.

Check your calendar; if you have a few hours you could volunteer at Cedarbrook

Call 610-336-5684 or email [kerrymagliane@lehighcounty.org](mailto:kerrymagliane@lehighcounty.org) to sign up.

*\*Our residents and staff would appreciate your help!\**

# VOLUNTEER SPOTLIGHT

GREAT  
JOB!

GREAT  
JOB!

Cedarbrook Senior Care and Rehab is proud to celebrate Jeffrey Eisenhardt as the recipient of the **2025 Lehigh County Unsung Hero Award**. This distinguished honor recognizes Lehigh County residents aged 60 and older who have made meaningful contributions to their community through volunteer service—and Jeff exemplifies that spirit in every way.

A dedicated and familiar face at Cedarbrook, Jeff has generously volunteered nearly 600 hours over the past year alone. Several days a week, he can be found escorting residents to their beauty salon appointments with care and kindness. On weekends, he supports the Life Enrichment Department by helping transport residents to a wide variety of activities, including games, live entertainment, church services, and festive parties. And if a celebration happens on a weekday, Jeff is right there, lending a hand with enthusiasm.

His commitment goes far beyond our walls. Jeff frequently joins residents on off-site outing to sporting events and serves as a vital part of Cedarbrook's Dine-In Take-Out program—designed for residents who are unable to go on trips. He coordinates with staff to help residents choose their favorite meals from local restaurants, picks up the orders himself, and delivers them with a smile—turning an ordinary meal into a special occasion. He even spent his own birthday on an outing with our residents! That's dedication!

Jeffrey's kindness even extends to donning the red suit—when Cedarbrook needed a Santa Claus for its annual Photo with Santa event, he happily volunteered and provided his own costume, bringing holiday cheer to all.

Jeffrey Eisenhardt is the heart of volunteerism at Cedarbrook, and we are beyond grateful for the joy, dedication, and compassion you brings to our community every day.

**Congratulations, Jeff, on your well-deserved recognition!**

## **KUDOS TO KERRY**

Being a brownie with so many leaders caused trouble and strife  
As the ladies came but quickly went.

Our time seemed wasted, certainly not well spent,  
I decided I would become a volunteer like no other.

I would be loyal just like my mother.

Becoming a Brownie leader was my first Volunteer pleasure,  
And my devotion to those kiddos is a time I will always treasure.

Fast forward to now that I'm eighty eight,  
Being a volunteer all those years was a fun filled thing I'm happy to state  
Now we have Kerry to lead the group

She works hard at her job heading the troops

She even arranges for us to have a delicious meal

She also searches for the "bestest" gifts each year, outdoing the previous deal.

I should have said "Kudos to Kerry" a long time ago,

But with all that I do, time flies, that I know.

Kerry, I've said it the best way I could,

Sometimes I swear that my head is made of wood.

But these words I've said now come straight from the heart,

And I'm sure that ALL the volunteers do agree with me from the start.

# CHAPLAIN'S CORNER

*[Jesus said] "Hear then the parable of the sower. When anyone hears the word of the kingdom and does not understand it, the evil one comes and snatches away what is sown in his heart; this is what was sown along the path. As for what was sown on rocky ground, this is he who hears the word and immediately receives it with joy; yet he has no root in himself, but endures for a while, and when tribulation or persecution arises on account of the word, immediately he falls away. As for what was sown among thorns, this is he who hears the word, but the cares of the world and the delight in riches choke the word, and it proves unfruitful. As for what was sown on good soil, this is he who hears the word and understands it; he indeed bears fruit, and yields, in one case a hundredfold, in another sixty, and in another thirty." (Matt 13:18-23)*

There's the story of a woman who suddenly stops a man walking down the street and says, "George, I am so happy to see you after all these years! My, how you have changed! You were so tall and now you've grown so short. You were so well built and now you've grown so thin. You had dark hair and now it is so light. Good grief, how you've changed in the last five years! What happened to you, George?" Finally, the man got a chance to get a word in: "But ma'am, my name is not George! My name is Joe." To which the persistent woman calmly replied, "Oh, so you've changed your name too?"

This funny story helps us to imagine how Jesus struggled to be understood, even when he spoke plainly and not in parables. Jesus tells the parable to the people, and then explains it to his disciples. He hopes everyone will listen.

Why does Jesus use this image of a sower who spreads the seed so widely to show how God grows the kingdom in the hearts of others, no matter who or where they are? Imagine Jesus as the sower, scattering the seed all around the plot of land he cultivates, with its combination of deep, rich soil and shallow, rocky soil, its footpaths, and its borders full of weeds and thorns. True, the sower can only plow under the seeds within the soil of the garden, yet he has nonetheless spread the seed to the margins, the edges, the less than hospitable places.

So, as Jesus explains later how the four soils represent the various reactions of those who hear the word, he has based this teaching upon the fact that the one who sowed the seed spread it on what we would understand as good and bad soil alike. But to God the Father, it is all good soil, and through His son, Jesus, God has spread and given growth to the seed of His kingdom in the least likely places.

In the book *Feasting on the Word*, Talitha Arnold writes that we should look beyond what we often see as limitation and frustration in this gospel, of seeing that only a few seeds survive and grow, and instead focus on God's miraculous abundance, that under God's hand, those seeds produce a mighty harvest.

In our day, we live so many stresses and challenges and real dangers to our well-being and to the life we once knew. Churches are getting smaller and there is a lessening of Christian influence in our culture. All the years of hard work seems to have fallen on poor soil. But we must remember that God makes good of all circumstances which seem failures to us. God is the one who makes amazing results of something that appears to be failing. We are called to trust God and to be people who persevere in love for God and each other, listening carefully to Jesus' word to us, that all things are in His Father's hands.

# EMPLOYEE PET OF THE MONTH

## **Name of employee and department...**

Chaplain Stephanie Jones- Faith Services

## **Type of animal/ breed...**

Dog- mixed breed "mutt."

## **How old is your pet?**

Our handsome boy is 6 years old.

## **Pet's name, how did you come up with it?**

The first day we brought him home, he perked up as soon as he heard a motorcycle going down the street; thus we picked Harley.

## **Are there any nicknames for your pet?**

We call him "Handsome Harley" and "Harley Underfoot" because he's always under our feet!

## **How and when did you choose your pet?**

Harley is a rescue. I would say he chose me and my son. We saw him in the shelter and it was love at first sight.

## **Does your pet have any special tricks?**

Harley does all the regular tricks, sit, shake, laydown and roll over. He is not good at "stay" – he gets too excited and needs to be at your side at all times.

## **Funniest memory of your pet...**

I love to garden. When Harley first came to our home, he ate 4 Cayenne pepper plants right down to the roots! He had no side effects and sat there happy as a clam!

## **Does your pet have any bad/ naughty habits that drive you crazy?**

If we leave any food out, Harley will take it. He also begs too much.

## **Does your pet have a favorite toy or treat?**

His favorite treats are fresh veggies. Peppers are actually his favorite, go figure!

## **Fun facts about your pet or the breed...**

Harley loves children. He sits in the window and cries at the kids getting off the school bus. He just wants to love them.
