# CHAPLAIN'S CORNER

**Question:** What does it mean to love? What does it mean to love someone when they don't love you back?  
What does it mean to really love one another?

Hello residents, families, staff and friends of Cedarbrook. It is my hope and prayer that today's letter encourages each of your hearts as you continue to allow God to speak to each of you in his own special way as he sees fit. I'd like to draw your attention to a very special topic called "**Command to Love One Another as Christ Loved us.**" Scripture tells us according to the gospel of John 3:16 that "For God so loved the world that He gave His only begotten Son..." Understand that love equals sacrifice and if we want to truly love the way God commands us, then we need to make the ultimate sacrifice and that means we all must die to our mortal flesh. Let me share with you all three types of love that is found in the Bible. The first one is called:

**1. Eros Love** - is the Greek term which actually means desire and longing. This kind of love is associated with lustful love. Eros love is based on the strong feeling we have against one another and it usually develops during the 1<sup>st</sup> stage of a romantic relationship.

God created physical attraction between a man and a woman, but He never intended for it to be selfish. He created "**desire and longing**" which makes up lustful love which is crucial in any marriage. Since this type of love is mostly based on self-benefit, many people tend to fall out of love if they are not happy with the marriage.

**2. Philos Love** - Now this kind of love is like the one you have for a companion or pal. It refers to loving one another just like your brother or sister. This love is for a pal who is really close and dear to us and it is characterized by various different shared experiences between two people. In fact, this is kind of love that many Christians tend to practice towards one another, and although "philos" love is really wonderful, it is not that reliable, since it can end up souring at times as we have all experienced at some point in our lives.

**3. Agape Love** - Now this kind of love is a special term which represents the "**divine-love**" of the Lord towards His Son Jesus Christ, the human beings and all believers. This is the best of three types of love in the Bible, in fact Jesus himself showed this type of divine love to His Father in Heaven and humanity.

***Agape love is the love that God commanded all believers to have for everyone whether he or she is a believer or not.***

- ***Agape love should never be determined by our feelings; it is more of a set of behaviors or actions.*** With agape love, ***you do not have to actually feel it for you to give***, which means that you can be able to show love without feeling anything at all. At times, feelings can follow after showing this kind of love.

What does this all mean? It means that if we all reevaluate our way of loving one another according to God's way, we would come to a greater understanding that life in which God created and intended it to be will give us all a greater fulfillment in experiencing his 'Agape Love' in every aspect of our life according to His perfect divine will. You will begin to experience the power and transformation like no other. You will come to the Spiritual knowledge that you met with God because you allowed his Son Jesus Christ to touch your heart.

I implore you all "***Do not let your heart be troubled. You believe in God; believe also in me***" (John 14:1).

May God bless you all and may your hearts be filled with great joy and gladness  
as you put your total trust in your creator.

**Pastor Anthony (Tony) Jones**

**Cedarbrook volunteers are more exciting than July 4<sup>th</sup> fireworks!**

**Our residents and staff light up when our amazing volunteers walk in.**

I hope everyone is able to take some time to relax and enjoy the beautiful, sunny days and the fireworks in the night sky.

Remember all those who gave their lives for our Freedom.

Have a happy Independence Day.

We are truly grateful for your help and support.

Dear Volunteers,

I retired on June 30, 2025. If I haven't had the chance to say good-bye, please know that I carry you in my heart always. I want to thank every volunteer for all the kindness you share with Cedarbrook residents, staff, and me. I am proud of you. I know you will continue to be excellent volunteers as Cedarbrook moves forward.

Fondly, Kerry Magliane

**Bingo Volunteers Needed** - Just one hour a week. Come join us for our very popular activity. Tuesdays 10:30 AM – 11:30 AM. Let's play some BINGO!

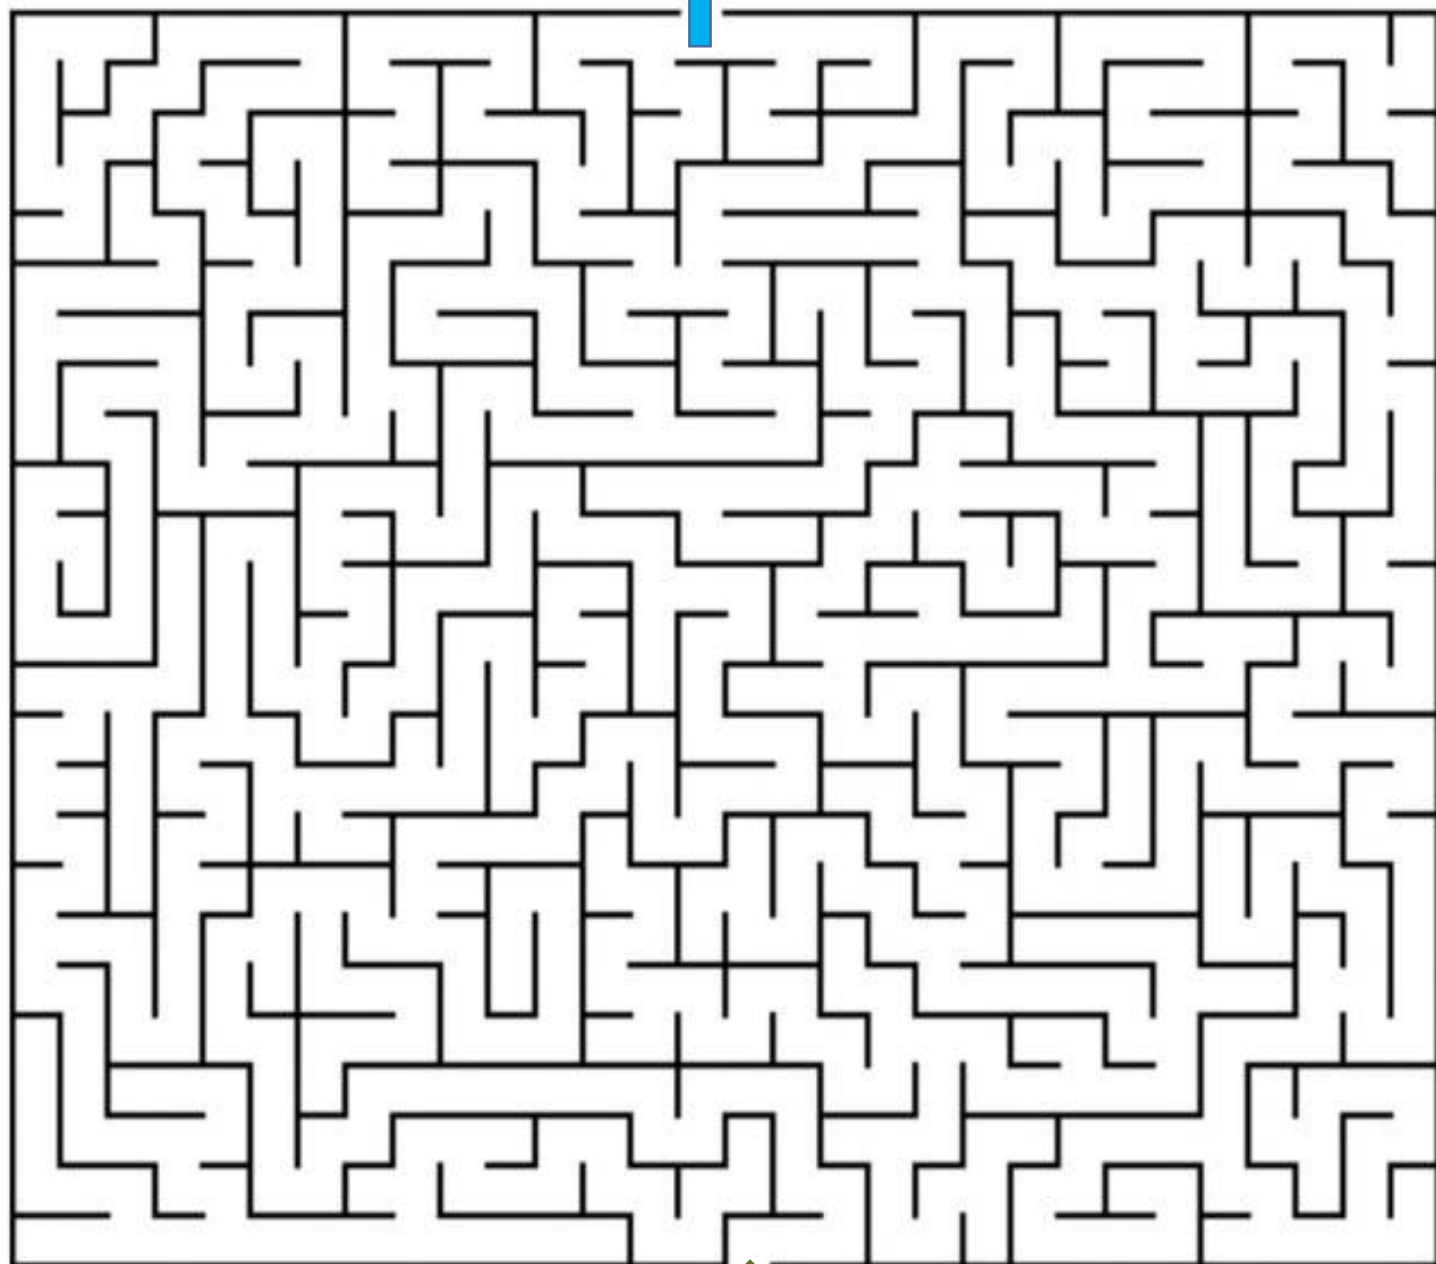

**Painting Ladies Fingernails** – Weekdays 10:30 AM – 11:30 AM or 2:00 PM-3:00 PM. This activity really makes our ladies feel so special. Volunteers can choose which day of the week works best for them.

**Do you know a High School student who would like to volunteer/do community service hours?** We offer opportunities for students at both Cedarbrook locations. The summer is a great time to work on getting those hours done, while helping others.

**Check your calendar; see if you have a few hours you could volunteer to help at Cedarbrook. Our residents and staff would love to have your help, contact the Volunteer Office at 610-336-5684, to sign up.**  
**(All volunteers must complete a tuberculosis test.)**

HAVE AN  
A-MAZE-ING  
SUMMER!

# **EMPLOYEE PET OF THE MONTH**

## **Name of employee and department...**

Kelly Menichiello- Life Enrichment

## **Type of animal/ breed...**

Dog- Frenchie

## **How old is your pet?**

Rocco is 7 years old.

## **Pet's name, how did you come up with it?**

Rocco. My daughter picked it.

She wanted a "tough" name for him.

## **Are there any nicknames for your pet?**

Rock, Bubba, Baby boy, and Panyo.

## **How and when did you choose your pet?**

I found an ad online for puppies. When we went to meet Rocco, we found out they were just going to use him for breeding. We decided to take him home and keep him from just being a stud dog.

## **Does your pet have any special tricks?**

His special trick is saving me from bugs. If I tell Rocco I see a "buggy," he goes after it and eats it! He is also very good at just plain ignoring me.

## **Funniest memory of your pet...**

One day he just jumped in the shower with me, proving that he really has to be with me wherever I am.

## **Does your pet have any bad/ naughty Habits that drive you crazy?**

Jumping on people because he's too excited.

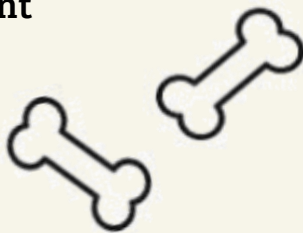

Rocco is also not a very good listener. But his worst habit is passing gas. It's something with the breed. But he is known to clear a room!

## **Does your pet have a favorite toy or treat?**

He loves blueberries. He must love all his toys, because he destroys them. Rocco does love his Bully Sticks.

## **Fun facts about your pet or the breed...**

Frenchies have the famous "bat ears", which is funny, because Rocco doesn't listen very well. Also, because of their mushed face they are loud snorers. Finally, it's a known fact that they are a very gassy breed, which we know first hand!

Goodbyes  
are not forever,  
Goodbyes  
are not the end,  
they simply mean  
I'll miss  
you  
until we meet again.

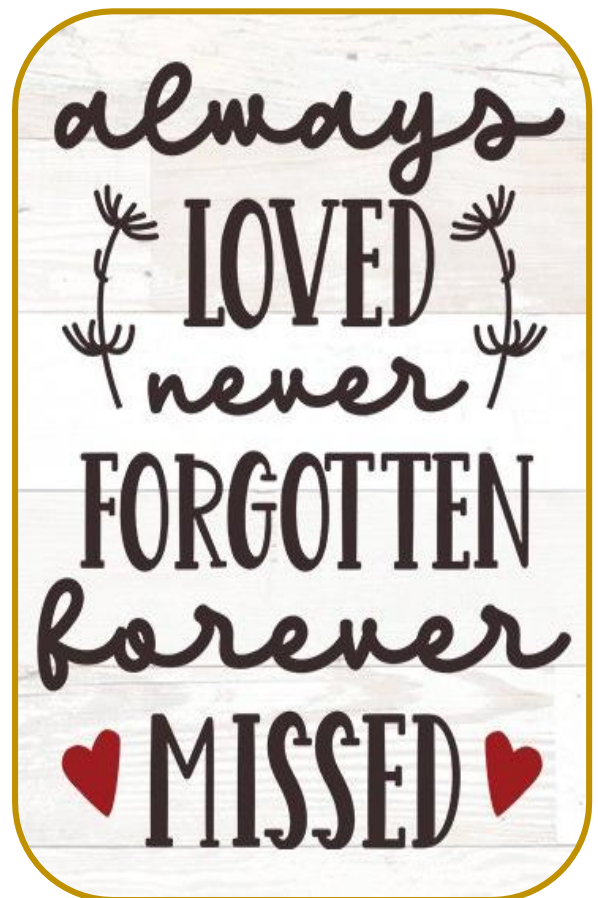

## Remembering

*The beauty of a memory  
Is that it's always there.  
Like a penny in your pocket,  
You can take it anywhere.*

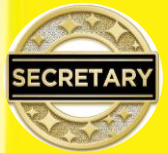

*And when your heart is heavy  
And your eyes are filled with tears,  
You can focus on a memory,  
And travel through the years.*

*Your heart can visit happy times,  
When laughter filled the air,  
And the presence of your loved one,  
Will lessen your despair.*

*So, as you travel on in life,  
Take comfort as you go,  
In a lifetime of "sweet memories,"  
Of one who loved you so.*

# RESIDENT SPOTLIGHT

## Karen Snyder (CBA) - A Life of Service and Dedication

Cedarbrook is proud to shine this month's Resident Spotlight on Karen Snyder, whose life has been defined by compassion, hard work, and service to others.

Karen was born in Coplay, Pennsylvania, and raised in a close-knit household with her sister, mother, stepfather, and grandmother. Inspired by a desire to care for others, she pursued her education at Allentown Nursing School and began a fulfilling career as an LPN at Allentown Hospital.

During her time at the hospital, Karen met a patient named William. The two quickly formed a bond, fell in love, and later married. Their shared determination and entrepreneurial spirit led them to start a unique business specializing in sand scaping and painting—using sand to transform outdoor spaces. This successful venture allowed them to purchase a farm, where they raised animals, including pigs and Karen's personal favorite: Clydesdale horses. Together, they built a rich and fulfilling life, including raising their daughter.

Karen has called Cedarbrook home for the past seven years, and her dedication to community service remains as strong as ever. She volunteers countless hours to support the resident community, serving as secretary of the Resident Council and Vice President of the Auxiliary. Twice a week, she helps sell candy bars to raise funds for activities and improvements. She also lends her artistic talents to the cause, creating intricate diamond art pieces and selling them to support the Auxiliary's efforts.

Karen's contributions don't stop there - she also tends to the building's plants, adding a touch of life and care wherever she goes. Her generosity, leadership, and kind spirit make her an invaluable part of the Cedarbrook family.

Thank you, Karen, for your lifelong commitment to caring for others and for all you continue to do for the Cedarbrook community!

# LEMON BLUEBERRY POUND CAKE

## INGREDIENTS - FOR THE CAKE

- 1/2 cup milk
- 1 tablespoon grated lemon zest, packed
- 2 tablespoons fresh lemon juice (Note: You'll need 2 large lemons for the entire recipe. Be sure to zest them before you juice them.)
- 2 cups + 1 teaspoon all-purpose flour, spooned into measuring cup and leveled-off with a knife
- 1/4 teaspoon baking soda
- 1/4 teaspoon salt
- 1 cup blueberries (if using frozen blueberries, do not defrost)
- 1 stick (1/2 cup) unsalted butter, softened
- 1 1/4 cups granulated sugar
- 2 large eggs

## FOR THE GLAZE

- 3/4 cup confectioners' sugar
- 1/4 teaspoon lemon zest, packed
- 1 1/2 tablespoons fresh lemon juice

## INSTRUCTIONS

1. Preheat the oven to 350°F and set an oven rack in the middle position. Spray a 9x5-inch metal loaf pan with nonstick cooking spray. Line the bottom of the pan with parchment paper, then spray the pan again.
2. In a small bowl, whisk together the milk, lemon zest, and lemon juice. Let sit for at least 10 minutes while you proceed with the recipe. (It will curdle; that's okay.)
3. In a medium bowl, whisk together the 2 cups flour, baking soda, and salt. In a small bowl, toss the blueberries with the remaining teaspoon of flour. Set both aside.
4. In the bowl of an electric mixer fitted with the paddle attachment (or beaters), cream the butter and sugar on medium speed until light and fluffy, 2 to 3 minutes. Scrape down the sides of the bowl, then beat in the eggs one at a time, beating well after each addition. Scrape down the sides of the bowl again. With the mixer on low speed, beat in a third of the flour mixture, then half of the milk mixture. Beat in another third of the flour mixture, then the remaining milk mixture, followed by the remaining flour mixture, scraping the bowl as necessary. Add the flour-dusted blueberries to the batter and, using a spatula, fold until evenly combined.
5. Transfer the batter into the prepared pan and smooth the top.
6. Bake for 50 to 60 minutes, until the cake is golden brown and a tester comes out clean. Let the cake cool in the pan for about 10 minutes, then turn out onto a rack to cool completely.
7. Make the glaze: In a small bowl, mix together the confectioners' sugar, lemon zest, and lemon juice. Add more confectioners' sugar or lemon juice as necessary to make a thick but pourable glaze (it should be a little thicker than you'd think, about the consistency of molasses or honey). Spoon the glaze over the top of the cake, letting it drip down the sides. Let the glaze set for 10 to 15 minutes before serving.
